EASTER CELEBRATIONS

Over the Easter season, there are several special services in our benefice.

In mid-Lent, (10th March) we celebrate Mothering Sunday...a time to remember not only our mothers but also all those who have played a role in nurturing us through our lives.

On 24th March, it is Palm Sunday when palm crosses are blessed and handed to us to remind us of Jesus' entry into Jerusalem, riding on a donkey and welcomed with waving palm fronds and shouts of joy.

Then we turn to the quieter, more reflective time leading up to Easter, with the special Communion service to commemorate the Last Supper on Maundy Thursday (28th March), followed by Good Friday services with the account of Jesus' crucifixion.

And finally, the joyous celebration of Easter Day (31st March) with the finding of the empty tomb and the appearance of the risen Lord Jesus to his friends in the garden.

In addition, for families with children, there are special events in Dinder, at St. Michael and All Angels Church. (See details on page 4).

Everyone is most welcome to join in these services. Details of the times and churches are on the back page of the magazine.

**ST MICHAEL and ALL ANGELS
PARISH OF DINDER and DULCOTE**

This will be followed by a Bring-and-Share Lunch in the Village Hall. Jane Thorne has arranged for the Hall to be open from 10.15am in order to leave food before the service.

Do come along to the service and to the lunch afterwards as we celebrate so many friendships and events that we have enjoyed together.

CHANGING TIMES.....

This will be the last edition of Roundabout to include Dinder and Dulcote, and a new chapter in the story of these two parishes begins on 1st April. The help with the production and delivery of the magazine by all those involved in the villages over our time together has been greatly appreciated.

Former relationships are greatly valued, and new ways forward in all the parishes are looked for with positivity and hope for the future of our churches and parish life.

PILTON VILLAGE HISTORY GROUP

The meeting this month is on

Monday 11th March

at 7.30pm at Pilton Village Hall

and it has a purely PILTON theme.

"A Dip into Pilton's Archives" is presented by Maureen Tofts, our archivist for the last 10 years, who says...

"This will be slightly different from previous archive evenings, as it will focus on just two areas.

I will show a large number of photos that came to us from the family of Gavin Thomas. Some are photos that Gavin took of other Pilton photos, some going back to the early 1900s, as well as photos he took himself that are mainly of the village in the 1950s, 60s and 70s.

The other aspect of the evening will be an opportunity to see some of the artefacts we have recently been given; some dug up and some found lying in buildings. Steve Tofts, who has a passion for Archaeology, will talk us through some of these.

No doubt some of you will recall snippets and anecdotes about what is shown, and these will add to our enjoyment of the evening, so please be prepared to add what you know. However, for some it will all be new and will add to your understanding of our village, one that has a rich heritage".

HAPPY CIRCLE

On January 31st we had a very interesting talk from Chris King about the missing chandelier which now hangs in Pilton church. Where did it go? Who found it? And why it took so long to be put back in the church? We were interested to know where it was made and by whom.

Next meeting is February 21st, 'A Boy and His Toys'. All are welcome.

Freda Boyce

COMMUNITY FARM

I am looking to set up a Community Farm in Pilton, to improve access to affordable, locally produced meat and veg and to provide a place to learn how to do these things, improve our health and wellbeing and expand on the community fridge principles. Ideally, we would need around 4 acres. If you know of any land available to buy or long-term lease, please contact Kelly at kellyexton@hotmail.co.uk or 890683.

PILTON PARISH COUNCIL

The Parish Council agreed to move forward with Somerset's plan of speed reduction in the Parish, at East Compton A361 to 50mph. 20mph at Pilton from the top of Park Hill to the bottom of Whitstone Hill A361 and 20 mph throughout Pilton village. We hope to move this through quickly and have it in place by the end of Summer. We did ask for more areas to be covered by the 20mph limit but we are happy to get as much as we did, this time.

The next GFEL open meetings are April 24th and May 22nd.

There are a number of properties that have foliage overhanging a road. This reduces the visibility and can cause danger to fellow parishioners. There is limited time to cut back before nesting season so, I implore you to do the neighbourly thing and cut back ASAP.

Lastly, we have provided links on the Parish Council Website to report issues, such as potholes, fly tipping, abandoned cars etc. This is by far the quickest way to get action from Somerset Council.

GLIMPING THE GLORY OF GOD

Recently Jane and I made our first trip to Iona which is accessed by small boat from the adjacent island of Mull. According to tradition Columba and twelve companions went there in 563AD. The monastery they founded became a centre of mission and teaching and played a crucial role in the conversion to Christianity of Scotland and the Anglo-Saxon Kingdom of Northumberland.

However, during the Viking invasions the monastery was destroyed and abandoned, until 1938 when the **Revd George MacLeod** re-founded a community there and rebuilt the Abbey. MacLeod was an unconventional and at times controversial figure. He became a pacifist, despite having served in World War One. He saw action in Greece and then at Ypres and Passchendaele for which he was awarded the Military Cross and the French Croix de Guerre for bravery. After ordination he turned his back on prosperous prestigious parishes to become minister at Govan, a parish in a poor part of Glasgow with considerable social problems. However, he is best remembered for founding the Iona Community as an international ecumenical community which emphasized mission, political involvement, the ministry of healing and worship. Through this he sought to keep the Church connected with an increasingly secular industrial society.

It is whilst on Iona that he is attributed with popularizing the concept of "**Thin Places**," a concept which comes from Celtic Christianity. Celts believed that in some places God's presence seems more tangible, more accessible than elsewhere. Places where heaven and earth seem to touch, where the holy and the human meet. Places where the Spirit of God is at work in ways that we can sense, where both beauty and brokenness co-exist.

I believe that God can and does meet us everywhere, that he is present with us on every step of life's journey. Nonetheless, for those early Celtic Christians on Iona, looking at where sky and sea met, it must have seemed that they were on the edge of the world, where heaven and earth met. We were only on Iona for a day but as we left, I felt I had glimpsed something of the glory of God and that something of the peace of God was coming back with me.

May the Lord be with us all wherever we are and whatever we do.

Rt Revd Peter Hancock

WEST PENNARD SCHOOL

Our girls' and boys' football teams took part in the finals of their respective leagues at the astro turf pitches in Street earlier this term. It has been fabulous to be able to run both teams this year and to see how they have progressed. The girls came to a magnificent 2nd place. The boys beat St Ben's in the final to win their cup competition. Huge congratulations to both the teams for their efforts and sportsmanship this year.

We were fortunate to be joined by Alex and Kayleigh from the RSPCA (West Hatch) Centre towards the end of term. They came to talk to us about animal welfare and safety. The children were so thoughtful with their questions, and discussed how they could advocate for animals in a safe manner. The children made a wonderful sculpture of a hedgehog to remind them of the visit. Miss Holmes loved the cross-curricular element of this visit as she got to witness the progression of skills in clay work from Reception to Year 6 as part of her coordination of Art. Thumbs up all round! The children will be using the visit as a stimulus to write poems in Book Week.

Tony Wheat, Headteacher

CROSCOMBE CofE PRIMARY SCHOOL

As we bid farewell to the winter term, we reflect on the joyous moments and achievements that have defined these past six weeks.

Our pupils embarked on some educational adventures, from exploring the historic Wells Cathedral to immersing themselves in rural life at Stratton-on-the-Fosse farm. These trips provided valuable opportunities for hands-on learning and discovery.

Adding to the excitement, our Frosty Fun Friday Kids Disco, held at the Village Hall, brought laughter, music, and dancing to our students, creating memories.

We are also very excited about the upcoming Croscombe pantomime 'Frankenstein' where three of our pupils, Ethan, Eliza, and Ralph, will grace the stage. Their participation fills us with immense pride. We wish them the very best of luck.

As we prepare for the term ahead, we want to thank our dedicated staff, supportive parents, and the parish community for their ongoing support and commitment to our students' success and well-being.

We have been able to recruit new members but are always looking out for people who wish to join us.

Rotary is non-political and non-religious and consists of over 46,000 clubs worldwide.

Funds are raised for local, national, and international organisations. Manpower is provided to assist such events as The Bath & West Show, The Mid Somerset Show, Glastonbury Festival and Extravaganza, and Shepton Mallet Carnival. The Club is proud of the annual Shepton Mallet Firework Display which it now organises.

Hundreds of local organisations have been helped by the Club since its formation in 1949.

At the heart of all this is a chance to get together every week with a group of friends, have a meal, a drink and a chat.

We are keen to accept new members and if you are interested in any or all of our activities, please contact Keith Jenkin 0787 606 4189.

ANNUAL PILTON VILLAGE JUMBLE TRAIL AND OPEN DAY

Monday 6th May – 11.00am onwards

Entries are now open. To book a place and be on the map, please contact Bracken Hollings on brackenmay@hotmail.com or 07738431257.

We hope as many villagers as possible can take part, either as buyers, sellers or spectators. The event will raise valuable funds for the charity Children's World.

RECENT PILTON PUBLICATIONS

Three Pilton publications, as fundraisers for different aspects of the village, will continue on sale at the New Room Coffee Shop (or directly from Jenny on 890465).

More Pilton People published 2022 is available either on its own (£7) or bound together with 2012's *Pilton People* for £12. Cash or cheques only, please. For newcomers to the village, these are light-hearted histories of Pilton life and characters, with random contributions but we hope reflecting appreciation for this special village. ***Every home should have a copy!***

Pilton Show's **2024 Calendar** based on local celebrations for the 2023 King's Coronation, containing images by prize-winning Pilton photographers, will also be available at reduced price £5.

Also on sale will be ***Pilton Psalms***, an illustrated booklet based on the joint churches together Sunday service of that Coronation weekend, with 'anon' contributions from the results of a version of the game of consequences, with lines written then passed on. Only £2.50!
